Resource List

This list is a selected bibliography of books, pamphlets, reports, articles, papers, and other media pertaining to universal design. It does not constitute an exhaustive list of all available materials but is, rather, a selection of works that represents the research, development, and application of universal design in a variety of disciplines.

Books, Pamphlets, Reports, Articles

Universal Design, General

Access: Special universal design report. (1992, November). *Metropolis*, 39-67.

Adaptive Environments Center. (1995). *Universal design resource notebook*. Boston, MA: Author.

Calmenson, D.W. (1991). Accessible for all: Universal design by Ron Mace. *Interiors and Sources*, 8(17), 28-31.

The Center for Accessible Housing. (1995). *Accessibility and universal design* (Infopack). Raleigh, NC: NC State University, Author.

The Center for Accessible Housing. (1995). *Accessible environments: Toward universal design*. Raleigh, NC: NC State University, Author.

The Center for Accessible Housing. (1991). *Definitions: Accessible, adaptable and universal design* (Fact Sheet). Raleigh, NC: NC State University, Author.
