The beautiful of backyard cottages

By Thomas Barrie

They are what the world needs, a k a all-of-a-kind housing. They are truly
amazing. They are the ultimate in flexibility, ranging from one to five "rooms," with
different styles and sizes. They are environmentally friendly, and they are
cheap to build and maintain. They are also beautiful, with their own
personalized designs and colors. They are perfect for families or
individuals who want to have a home with their own personal touch.

In the past, people had to choose between a small or a large home. But
now, with the beauty of backyard cottages, you can have both! You can
have a large home with a small backyard cottage, or you can have a
