CHARMAN + FRANK

Charman Driver and Frank Thompson are community builders with the self-appointed mission to support and promote art, architecture and design in the Triangle. For more than 20 years, the two have invested in Raleigh’s Warehouse District, and together with the NC State College of Design, led the charge to bring the award-winning Contemporary Art Museum (CAM Raleigh) to the area in 2011. Highlighting reuse and modern design, CAM serves as the anchor of the Warehouse District and a beacon of light in what was once a dark corridor of downtown Raleigh.

Charman and Frank have served as leaders, advocates and fundraisers for CAM Raleigh, the Caroline Ballet, the North Carolina Opera, the North Carolina Museum of Art, Artspace and the North Carolina Pottery Center. They care passionately about the quality and reach of art and design in our region.
