Dr. Randy Woodson
Chancellor
North Carolina State University
A Holladay, Box 7001
Raleigh, NC 27695

Dear Chancellor Woodson:

At their January 2019 meeting, the directors of the National Architectural Accrediting Board (NAAB) reviewed the Reconsideration Request for North Carolina State University.

As a result, the board voted to grant the Bachelor of Architecture and Master of Architecture degree programs an eight-year term of continuation of accreditation. The term is effective January 1, 2018, and the programs are scheduled for their next visit for continuing accreditation in 2026.

Please be reminded that continuing accreditation is predicated on two reporting requirements:

a) Annual Statistical Reports. These reports capture statistical information on the institution and the program. The next statistical report is due on or before November 30, 2019.

b) Interim Progress Reports. Programs that receive an eight-year term of accreditation must submit an Interim Progress Report (IPR) two years after a visit and again five years after the visit. North Carolina State University's IPR is due November 30, 2020. The IPR must address in detail the following "Not Met" conditions and Student Performance Criteria:

II.4.2 Access to NAAB Conditions and Procedures
II.4.4 Public Access to APRs and VTRs
B.4 Technical Documentation
B.6 Environmental Systems
B.10 Financial Considerations
C.2 Integrated Evaluations and Decision-making Design Process
C.3 Integrative Design

There is more information on the IPR process in Section 10 of the 2015 Procedures for Accreditation.

Finally, public dissemination of both the Architecture Program Report and the VTR is a condition of accreditation. These documents must be made public electronically in their entirety. Please see Condition II.4.4 of the 2014 Conditions for Accreditation and Section 5 of the 2015 Procedures for Accreditation.
On behalf of the NAAB and the visiting team, thank you for your support of accreditation in architecture education.

Very truly yours,
