Requirements for Admission to NC State Graduate Certificate in Disaster Resilient Policy, Engineering and Design

Applicants to the Graduate Certificate in Disaster Resilient Policy, Engineering and Design must complete an application form to be considered for the program provided below. New applications will be reviewed at the department/program level. Registration procedures, registration dates, and course availability for each semester can be found on the NCSU Registration and Records webpage at http://www.ncsu.edu/registrar/.

Academic Performance Requirements

- To receive a Graduate Certificate, a student must maintain a minimum 3.00 grade point average (GPA) on all coursework taken at NCSU.
- All courses taken for certificate credit must be completed with a grade of "B-" or better.
- Transfer credit from other institutions is not allowed. All coursework must be registered through NC State University.
- All Graduate Certificate requirements must be completed within four (4) calendar years, beginning with the date the student commences courses applicable to the Certificate Program. In addition, students must maintain continuous enrollment every semester until all coursework is completed. A one semester leave of absence may be granted if the student is unable to enroll in a course due to extenuating circumstances. The leave-of-absence must be approved in writing by the Program Administrator before the start of the semester.
- Graduate certificate courses taken by students who are also enrolled in a graduate degree program may be double-counted with their degree.
