"By drawing a line on the paper, we are breathing life into space. As mankind covering the world, designers' works should be more rigorous. These are complicated though; we should keep asking ourselves to make a definition. These works might start from nothing, but could be something, and must be everything."

EDUCATIONS

Ph.D. Student (2019 -) | College of Design, NC State University, Raleigh, NC

Master of Landscape Architecture (2019) | College of Design, NCSU

Bachelor of Architecture (2015) | Korea University, Seoul, Korea

PROFESSIONAL EXPERIENCES

Architecture Designer JUNGLIM Architecture, Seoul Marketing & Planning Department	Jan. 2015 - May. 2016
Internship, Design team NAMU Architecture, Seoul	Sep. 2014 - Dec. 2014
Interior Design & Marketing Café the Halt (Client), Seoul	Mar. 2013 - Jun. 2013

TEACHING EXPERIENCES

Graduate Teaching Assistant MLA+EP Programs, NCSU	Aug. 2018 -
2021 S - LAR 507 Advanced Topics Studio in Landscape Architecture and Environmental Planning (Green New Deal studio) *Roles: co-instruction
