Dear Professor Hill:

After reviewing the Five-Year Interim Progress Report (IPR) submitted by the Master of Architecture program (undergraduate architecture degree + 48 graduate credit hours and undergraduate non-architecture degree + 96 graduate credit hours) at North Carolina State University, the National Architectural Accrediting Board (NAAB) has accepted the IPR as having demonstrated satisfactory progress toward addressing deficiencies identified in the most recent Architectural Program Report and Visiting Team Report.

Your next accreditation visit is scheduled for **2027** and will be conducted under the Conditions and Procedures in effect at the time of the visit. The Architecture Program Report (APR) is due **September 7, 2026**.

Please note that Program Annual Reports are still due annually on or before **December 15**.

Please feel free to contact us with any questions at accreditation@naab.org.

Sincerely,

Stephen Schreiber, FAIA, NCARB, DPACSA
President
